Residential Street Sweeping
The City sweeps residential streets clean on a minimum schedule of every other week, but often weekly. **Street sweeping is scheduled the day after the regularly scheduled single-family solid waste collection**. If the solid waste collection day is on Friday, the street sweeping day is Monday.

Residents are requested to not park on the street on the assigned street sweeping day, so that sweepers can reach the curb. Leaves raked from your yard and other yard waste should not be piled on the street, swept into the gutter or block the storm drain. Sweepers are not designed to pick up large piles of leaves from the street or gutter. Instead, place all green waste into your wheeled Clean Green cart for weekly collection.

Residents in multi-family complexes without Clean Green services who are not sure of what day their streets are swept, or for other questions regarding street sweeping, call (408) 615-3080.

Volunteer to Serve Your Community
Volunteer service is a great way to bring people together and help create a better future for the community. Whether you volunteer short-term for a specific activity or make long-term commitment, every effort can make a difference in someone's life. The City of Santa Clara volunteer team is always looking for additional individuals to become involved.

For more information on volunteer opportunities, call the Human Resources Department at (408) 615-2080, or visit the City's website at *SantaClaraCA.gov/ volunteer*. Other volunteer opportunities available throughout the Bay Area are listed on *Volunteer/Match.org.*
